Dear Community Partner,

The countdown is on for the **34th Annual Eagle Run at Andrew Jackson Elementary School!** On **November 6, 2026**, our school community will come together for a day filled with fitness, laughter, and plenty of school spirit. More importantly, Eagle Run is an opportunity for our students to see firsthand what can happen when their school and community come together to support them.

For more than three decades, Eagle Run has been an Andrew Jackson tradition. Students, teachers, families, and community members all play a part in making this special event possible. We are asking our local businesses and community partners to be part of that tradition by investing in our students.

When you sponsor Eagle Run, your contribution goes directly toward making this event possible and supporting our school throughout the year.

Andrew Jackson Elementary is proud to serve **more than 500 students in the heart of Old Hickory**. We work every day to give our students engaging, meaningful opportunities to learn and grow.

Our PTO uses fundraising dollars to provide resources and experiences that make a difference in the classroom, including **technology and classroom devices, new library books, educational programming and guest speakers, teacher professional development, student incentives, and other needs that enhance the educational experience at AJS**. Every dollar raised helps us provide our students with the resources, experiences, and encouragement they need to learn, grow, and succeed.

This year, our goal is to raise \$20,000 through Eagle Run, and we need you behind us to make it happen.

We invite you to become a sponsor and join the growing group of businesses and community members who believe that **strong schools create strong communities**. Whether you are a longtime supporter of Andrew Jackson or a business looking for a meaningful way to give back to the Old Hickory community, your support can make a real difference. **Your sponsorship tells our students that their community believes in them.**

Because of the generosity of our sponsors, **every Andrew Jackson student and faculty member receives a free commemorative Eagle Run T-shirt**. These shirts become more than just something students wear on race day. They are worn on field trips, at school events, around the neighborhood, and throughout the year, creating a visible reminder of the businesses and community members who support our school.

We hope you will consider partnering with Andrew Jackson Elementary for Eagle Run 34. We are grateful to everyone who stands behind our Eagles, and we hope you will join us in making this the biggest and best Eagle Run yet! **Thank you for investing in our school, supporting our teachers, and believing in our students.**

With appreciation,

**Andrew Jackson Elementary PTO
